

Senior Stepping Stones February Newsletter

January may be over but February promises to be lots of fun.

Last month the children enjoyed learning about different dinosaurs. We looked at what the dinosaurs ate, where they may have lived, and what they may have looked like. The children also enjoyed dancing like snowflakes, and learning about the differences between stringed instruments and brass instruments. We all enjoyed listening to Vivaldi's Winter and music, from the Canadian Brass.

This month we will be studying Health and Nutrition. We will learn about the five senses, why it's important to eat healthy, exercise, and brush our teeth.

The music of Johann Sebastian Bach, and the artwork of Leonardo DiVinci will be presented.

Valentine's Day is upon us! A list of names of all the children in the class can be found in everyone's cubby. The Stepping Stones Sr. teachers are planning a special baking activity to do with the children. This will be a snack that the children can bake and eat on Valentine's Day.

Dates to remember:

February 14th Valentine's Day
February 17th P.D Day (school closed)
February 20th Family Day (school closed)
February 27th to March 2nd Mardi Gras Week

Featured Musician:

J.S Bach

Featured Artist:

Leonardo DiVinci
